

NRRL Bioreactor Pictures

February 14, 2001

Subject: Surveying Well Locations

Panorama Pictures of Site

A survey was conducted at NRRL from 2/6/01 – 2/13/01

- Stakes were placed to match LCS lines on bottom of landfill.
- Researchers then followed to place flags at potential well locations.

Well locations were then surveyed in.

Stakes represent construction coordinate system.
Blue flags are cluster well locations.
Red flags are monitoring well locations.
